

SALEM TOWNSHIP PARK IMPROVEMENT PROJECT

Exciting Changes Are Underway!

The Salem Township park is currently under construction as we begin several improvements to better serve our community. The current project phase includes an expanded parking area, relocated soccer field and DNR Passport Grant-funded Pickleball courts!

- ! Excuse the mess
- ! Please avoid construction zones
- ! Use caution while visiting the park

We appreciate your patience and cooperation as we work to make the Salem Township Park even better for the community. Thank you for your support!

– Salem Township Board
